

MENOPAUSE

Get to the Root. Fix the Cause.

Menopause symptoms are systemic—successful support requires comprehensive adaptogenic nutrition that addresses the root hormonal disruption affecting every system. This advanced adaptogenic blend was crafted to meet the real needs of modern women navigating perimenopause, menopause, and beyond. Featuring clinically studied KSM-66® Ashwagandha (27.9% cortisol reduction, healthy DHEA support), SRI-81™ Shatavari, Rhodiola Extract, and fermented botanicals—it supports hormonal balance, hot flash relief, and healthy sleep and mood by addressing the stress-hormone-inflammation cascade driving most symptoms.

Replaces multiple menopausal supplements with one comprehensive formula.†
